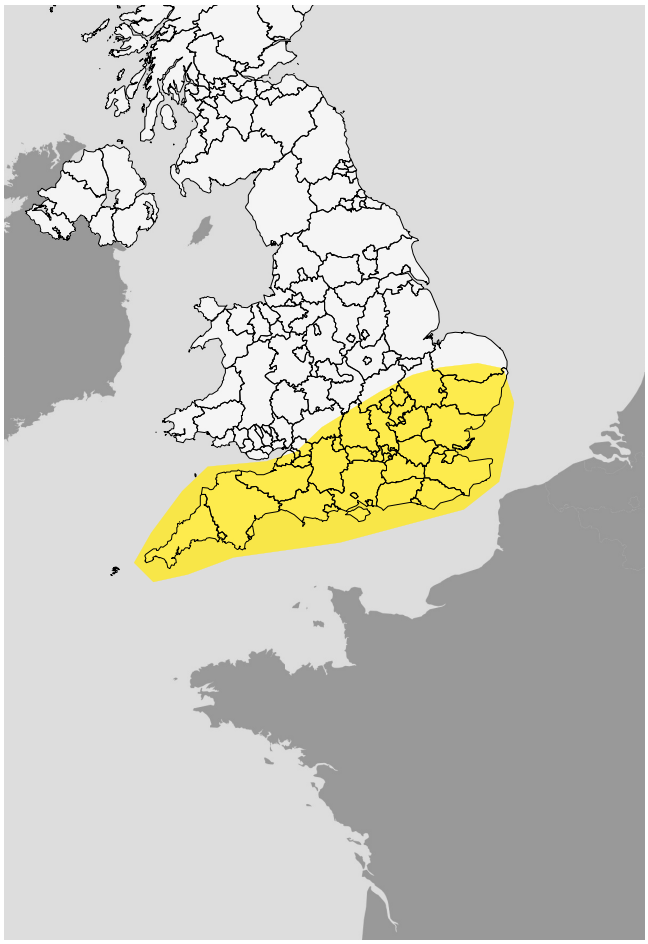
Yellow warning
Thunderstorm

Between
09:00 Wed 17 Aug 2022 and
23:59 Wed 17 Aug 2022



While some places stay dry, others are likely to see thunderstorms with torrential rain during Wednesday, bringing possible disruption.

What to expect

- Spray and sudden flooding could lead to difficult driving conditions and some road closures
- There is a small chance that homes and businesses could be flooded quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds
- There is a slight chance that power cuts could occur and other services to some homes and businesses could be lost
- There is a small chance that some communities become cut off by flooded roads
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- There is a small chance of fast flowing or deep floodwater causing danger to life

Yellow warning
Thunderstorm

Between
09:00 Wed 17 Aug 2022 and
23:59 Wed 17 Aug 2022

Further details

Whilst some places will miss them, thunderstorms and areas of heavy rain will develop quite widely on Wednesday across the southern England.

20-30 mm of rain is possible within an hour, but where areas of thundery rain become slow-moving, some places could see 60 mm in less than three hours. A few spots could see more rainfall than this still, whilst hail and lightning may be additional hazards. .

Very low likelihood of medium impacts
